### *BULLETIN 2*

**Date:** 4th-6th August 2017

**Organizator:** Klub orientačního běhu Dobruška

**Competition centre (CC):** camp „Bučnice“ in Teplice nad Metují (GPS: 50.6012236N, 16.1505381E)

#### **Arrival and parking:**

The best way to reach CC is using the train. You won't need car during all the competition.

Arrival by car: Competitors who ordered an accommodation in camping (cottages, tents), normally comes to camping where on the reception you receive instructions how to park and where to build up your tents to spare the place. If so many people comes in one time, there could be a little queue. Please be patient.

Entry fee discount: In case you are accommodated in camp and you leave your car outside the camp on temporary parking, you can receive a discount 150 CZK (one stage entry fee). If you are interested in, just say to parking guys, that you want this discount. He will give you a voucher that you can bring to registration desk, where (if you wear our wrist tape which you receive at the registration desk too), you will receive this discount in cash. No future parking in camp is then possible.

Competitors accommodated somewhere out of the camp, can leave their cars on temporary parking 1.1km far from CC in Teplice and then they walk to CC. We strongly advise to not park outside official parking places. CC is in attractive tourist area, parking on the road is forbidden and police is here active indeed. In CC can drive in and park only accommodated competitors.

Temporary parking is free of charge.

If you plan approach to CC via Trutnov, then Petřkovice and Chvaleč, be informed that this road is now closed right behind the crossing in Trutnov in direction to Adršpach. Detour leads to Úpice, then Odolov and Radvanice. It's long way and it's using narrow local roads. Try use some other directions, we recommended approach from Poland (Mieroszow-Zdoňov (2.2m wide gap on border!)-Teplice) or from south (direction Nachod-Hronov-Teplice).

**Accommodation:**

Accommodation is completely managed by camp manager. Each competitor accommodated in camp receive a wrist tape and is asked to wear it. We want to know that you are a participant and you are ours. Not accommodated participants receive a wrist tape too (but different color). Please wear this tape, without it you may not be later allowed to enter the camp.

In camp you find appropriate amount of WC (5 for men, 5 for women, 2 for wheelchairs + 6 ToiToi for morning jam), warm showers, central kitchen, for more info check out the camp web page: <http://www.autokempbucnice.cz>.

Be noticed that accommodation can start on Friday 12:00 (cottages must be made up after previous users) and must be left on Sunday till 10:00 (must be made up after you for next people). Tents should be packed on Sunday till 10:00 too, if it will be possible. All instructions you will receive on camp reception.
